Lemonade

Alexandra Stan

Everything is so good in the summer air

Just put behind you all the problems that we share

Look into the sun, you'll see me and you

Cause now you have the perfect view

I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me

I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me

Sunny, happy with the music no money
I'm thinking you're on holiday
Sipping your lemonade

Sunny, happy with the music no money I'm thinking you're on holiday Sipping your lemonade

Kept my promise and we're laying on the beach Now we have each other and it feels so rich Look into the sun, you'll see me and you Cause now you have the perfect view

I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me

I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me

Sunny, happy with the music no money I'm thinking you're on holiday

Sipping your lemonade

Sunny, happy with the music no money I'm thinking you're on holiday Sipping your lemonade

[Beat break]

So alone
You're the only one for me
I'm so alone
And now I really wanna make you come along
You're the only one for me

Sunny, happy with the music no money I'm thinking you're on holiday Sipping your lemonade

Sunny, happy with the music no money I'm thinking you're on holiday Sipping your lemonade
