# Vortex

## SNK

Internal combustion
Multiple personalities
Terror inside of me
A mask of silent agonyCurse the falling rain
The vortex of painAs medieval as Merlin
A pact for power was made
Lucifer in transition
It's time, time the price was paidScorchin' the domain
The vortex of painA telestic message
Written in torment
Howl out dirges
Like the horns of Jericho
Distorted faces
Writhin' in rage
Walls of purgatory
Tumble down
Endless death
The jewels of a crown
The jewels of the crown
