

# Hell & High Water

## Black Stone Cherry

I know your hiding places  
And I know your every move  
'Cause, girl, I've been lonely too  
And I seen a million faces  
Been to a million places  
But, girl, there's no one quite like you And I've gone through Hell and high water  
Washed away with the tide  
I can lose a damn war all by myself  
If you were on the other side  
So, in the morning when the rooster crows  
Pack your bags and get ready to go  
If you're walkin' through Hell and high water, please don't do it alone I know you feel let down  
And I know you've been turned out  
I wish I'd been there for you  
So when the nighttime comes around  
And you feel like an only child  
Just know I'll be there for you And I've gone through Hell and high water  
Washed away with the tide  
I can lose a damn war all by myself  
If you were on the other side  
So, in the morning when the rooster crows  
Pack your bags and get ready to go  
If you're walkin' through Hell and high water, please don't do it alone And I've gone through Hell and high  
water  
Washed away with the tide  
I can lose a damn war all by myself  
If you were on the other side  
So, in the morning when the rooster crows  
Pack your bags and get ready to go  
If you're walkin' through Hell and high water, please don't do it alone If you're walkin' through Hell and high  
water, please don't do it alone  
Oh, no
