

# On The Cross (feat. Pastor Steve Hare)

Jekalyn Carr

On The Cross  
He carried it on the cross  
He carried it on the cross  
He carried it on the cross  
Carried all (carried all my pain took it all away)  
On the cross (on the cross) Carried it on the cross  
Said he carried it on the cross  
He carried it on the cross  
Carried all (carried all my pain took it all away)  
He carried it on the cross  
Everything you imagine  
Everything you imagine  
He carried it on the cross (on the cross)  
When he took the nails in his hands (You were on his mind)  
He never complained cause (You were on his mind)  
Could of came down but (You were on his mind)  
Everything you imagine  
Everything you imagine  
He carried it on the cross (on the cross) He carried your name (on the cross)  
And all of your pain (on the cross)  
He carried your fears (on the cross)  
Even your sins (on the cross)  
He carried your tears (on the cross)  
He carried your fears (on the cross)  
Everything (on the cross)  
He carried it on (on the cross)  
He carried your sickness (on the cross)  
He carried poverty (on the cross)  
He carried generational cruses (on the cross)  
Even strong holes (on the cross)  
You're free from the curses today (on the cross)  
He created a new life for you (on the cross)  
Receive a new life (on the cross) Your strong hole is on the cross (on the cross)  
You strong hole is on the cross (on the cross)  
Our forgiveness is on the cross (on the cross)  
If you can name it, it's on the cross (on the cross) Everything you imagine  
Everything you imagine  
Everything you imagine  
He carried it on the cross (on the cross)
