

# Flying Saucer Song

## Shooter Jennings

Do you know who you are? Late last night, a searchlight  
I saw a ball of fire streak across a midnight sky  
I watched lower and lower, shrink and sink into  
Into the silhouette morning  
It wants to die I said "Hey, you know I've got a lot in common with that light, alright"  
Like a light with a fire  
My life streaks across my span of time  
As seen by those who live their lives  
In search of light to help them  
Through the long, dark, night, right
