

Elevate

Big Time Rush

Elevate a little higher
Let's throw a party in the sky
And celebrate
Elevate until we're flying
Move, move your feet
Until you levitate
Come on let's elevate Forget about your day
Under the milky way
I know a place where we can go No need to be afraid
Come on, I'll demonstrate
Take you to outer space
Here we go, here we go Oh oh oh
If you wanna party
Oh oh oh
And I know you're down
Oh oh oh
If you wanna party
If you wanna party Elevate a little higher
Let's throw a party in the sky
And celebrate
Elevate until we're flying
Move, move your feet
Until you levitate
Come on let's elevate Elevate
Elevate We're floating in the air
Look at the view from here
Show you what world you've never seen before We're dancing in the stars
No matter where we are
You better buckle up
Here we go, here we go Oh oh oh
If you wanna party
Oh oh oh
And I know you're down
Oh oh oh
If you wanna party
If you wanna party Elevate a little higher
Let's throw a party in the sky
And celebrate
Elevate until we're flying

Move, move your feet
Until you levitate
Come on let's elevateElevate
ElevateDon't even hesitate
Just let it escalate
I wanna see you go
WhoaBreak through the ceiling now
It's time to hit the clouds
And, no, we ain't coming downWhoa whoa
Whoa whoa
Whoa whoa Whoa whoa
Whoa whoa
Oh oh oh
Whoa whoaElevate a little higher
Let's throw a party in the sky
And celebrate
Elevate until we're flying
Move, move you're feet
Until you levitate
Come on let's elevateElevate
ElevateWe're on another level tonight
Let's, let's, let's celebrateElevate
