Wrong The Right

The F-Ups

Why don't we wrong the rightYou wanna know
Just like before
Well I don't really think you need a
Fucking explanation
For how we read
And how we write
Too much of that's a social abominationAnd death becomes your one reality
It's out of my hands
What you think of me
Let's rip down this
Enterprise so
Why don't we wrong the right
The right (The right)
Wrong the right now
Why don't we wrong the right
The right (the right)
Wrong the right now
Why don't we wrong the rightTake two steps back (Two steps back)
And three more forward (And three more forward)
Fuck all your lies
And this bitch I can't afford
Too much is gone (Too much is gone)
It's such a waste (It's such a waste)
Too much of that now
I fucking lost my taste
Then death becomes your one reality
It's out of my hands
What you think of me
Let's rip down this
Eterprise soSo Why don't we wrong the right
The right (The right)
Wrong the right now
Why don't we wrong the right
The right (The right)
Wrong the right now
Why don't we wrong the rightHey
Ho
Hey
Let's go

(xfour)The right (The right)
Wrong the right now
Why don't we wrong the right
The right (The right)
Wrong the right now
Why don't we wrong the right
The right (the right)
Wrong the right now
Why don't we wrong the right
The right (The right)
Wong the right nowWhy don't we wrong the right
