

# Lady

## Richie

I'm crazy for this little lady  
I'm freaking for my little baby  
'Cause she makes me feel good  
She's so fine

Don't need all my other ladies  
I'm beggin' for this little lady  
'Cause I tell you she's cool  
She's divine

I know she's a super lady  
I'm weak and I've gone hazy yeah  
I'm crazy for that lady  
She's chic but she's not shady yeah  
Sophisticated lady  
And she makes me feel good  
She's so fine

Never knew there was such a lady  
That would make me want to straighten  
Out my life at this time but I find  
I'm thinkin' 'bout this pretty lady  
I would love her good as my own baby  
'Cause you know she's no fool  
She's refined

I know she's a super lady  
I'm weak and I've gone hazy yeah  
I'm crazy for that lady  
She's chic but she's not shady yeah  
Sophisticated lady  
And she makes me feel good  
She's so fine

Yeah  
Don't you know she blows my mind  
All the time  
'Cause she makes me feel good  
Like a real woman should

Yeah  
She's so mine  
Yeah  
I'm weak and I've gone hazy yeah  
I'm crazy for that lady

She's chic but she's not shady yeah  
Sophisticated lady  
And she makes me feel good  
And she makes me feel good  
And she makes me feel good  
She's so fine  
Yeah  
Don't you know she blows my mind  
All the time  
And she makes me feel good  
Like a real woman should  
Yeah  
All the time  
Yeah  
Yeah Yeah Yeah Yeah
