

There's Only One Way to Rock

Sammy Hagar

I've heard it called by different names
All over the world, but it's all the same
 There's so many ways to make love
 A million ways to make love
 A million ways, I've been thinking of
 Oh yeah[Chorus]
 But there's only one way
There's only one way to rockSo many things can get you high
 I'm gonna try em all just once before I die
 And you can analyze this situation
To me it's all just mental masturbation[Chorus]Now quickly, check the hands on the clock
 It's 8:05, it's time to rock
 And this world can disagree
 They don't understand how it can be
 And it's not my point of view
It's a fact, and you know that it's true[Chorus]Crank up the drums, crank out the bass
 Crank up my Les Paul in your face[Chorus]
