Ugh, tyga montana

Got a white bitch named hanna

She giggin' off on my grammar

Pop that titty call that shit janet

Hoes like I'm santa

She jimmy choo no sandals

Flippin' bitches like they all channels

One hand in my handle

Hammer time then I'm dancing

Got real hawks in atlanta

Scar your face for that mansion

Tell 'er bounce, she prancing

What that's polka dots on your panties?

Who the boss? tony danza

Know you lazy niggas can't stand me

We got 4 doors and more whores

2 doors that's short dwarf

Fe-rrari red horse

It act an ass go eeyore

Hee-haa my engine roar

Half a mil when I finish tour

Last kings I'ma order more

My watch brand you can't afford (ha)

All good do it biggie gravy play me baby born

I look so asian all my bitches early 802s

80 swag speed racing through my shades

I see your fakeness

Uhh, hoes gone be hoes can't save a f-cking bitch
