

Didn't Mean to Hurt You

3T

Girl, I love you and I apologize
Still I don't know the reason
So I, so I tell you why
I hurt the one who made you cry
And girl, I know that I messed up
That it hurts me so deep inside Well, oh I wish I could go back in time
I could fix up my mistake
Make everything alright
Girl, I know just what is on your mind
Couldn't blame if you hated me
For the rest of my life Ooh, baby I
Didn't mean to hurt you, to make you cry
Oh girl, you know I really love you
And it hurts me deep inside To know that the person that just hurt you and made you cry
Is one who really, really loves you
And it hurts me deep inside
How could I hurt the one I love Girl, I'm sorry and I do realize
That things will never be the same
No matter how hard I try
'Cos I hurt the one who
How could I let you down and there's no other reason
Why you, why you just on the ground Well, oh I wish I could go back in time
So I could fix up my mistake
And make everything alright
And girl, I know just what is on your mind
Couldn't blame if you hated me
For the rest of my life Ooh, baby I
Didn't mean to hurt you to make you cry
(To make you cry, girl)
Oh girl, you know I really love you
And it hurts me deep inside To know that the person that just hurt you and made you cry
Is one who really, really loves you
(Really, really loves you, ooh)
And it hurts me deep inside Oh, I wish I could go back in time, girl
I would fix up my mistake
Everything would be alright, yeah
And girl I know just what is on your mind
Wouldn't blame if you hated me
For the rest of my life Didn't mean to hurt you to make you cry

(To make you cry, girl)
Oh girl, you know I really love you
And it hurts me deep inside To know that the person that just hurt you and made you cry
Is one who really, really loves you
(Really, really loves you, ooh)
And it hurts me deep inside I didn't mean to hurt you to make you cry
(I didn't mean)
(I didn't, I didn't mean to hurt you, girl)
Oh girl, you know I really love you
And it hurts me deep inside To know that the person that just hurt you and made you cry
(I didn't mean)
(I didn't mean to hurt you)
(I didn't mean to hurt you, girl)
Is one who really, really loves you
And it hurts me deep inside Listen
(Didn't mean to hurt you)
You know I love you
Always thinkin' of you
(To make you cry) Baby, want you be my lover
Really didn't mean to go and hurt you
(Oh girl, you know I really love you)
Didn't mean to hurt you
