

# Southerly Change

## Mitch King

I donâ€™t need nobody  
Tellin me what to do  
And I donâ€™t need nobody  
Puttinâ€™ their package on me  
Cus Iâ€™m a free man in a free world, yeah  
And Iâ€™m telling you that Iâ€™ll stand my ground

â€™Cus itâ€™s the mindâ€™s reputation to be ruled by the world  
And itâ€™s the mindâ€™s reputation to believe what itâ€™s told  
And I lost my faith in the Lord a long time ago  
â€™Cus the rich man keeps on by stealing from the poor

Thereâ€™d be a ripple in the weather  
And time will stand still, for second or two  
Thereâ€™d be a ripple in the weather  
Thereâ€™d be a ripple in the weather  
And Iâ€™ll be waitinâ€™ for that southernly change

â€™Cus he is the bad news  
Diffraâ€™net from my radio  
â€™Cus the stories that I told are for I feel in control

â€™Cus itâ€™s the mindâ€™s reputation to be ruled by the world  
And itâ€™s the mindâ€™s reputation to believe what itâ€™s told  
And I lost my faith in the Lord a long time  
â€™Cus the rich man keeps on by stealing from the poor

Thereâ€™d be a ripple in the weather  
And time will stand still, for second or two  
Thereâ€™d be a ripple in the weather  
Thereâ€™d be a ripple in the weather  
And Iâ€™ll be waitinâ€™ for that southernly change

To set us free  
To set us free  
Iâ€™ll be waiting  
For God when He comes

Thereâ€™d be a ripple in the weather  
And time will stand still, for second or two

Thereâ€™d be a ripple in the weather  
Thereâ€™d be a ripple in the weather  
And Iâ€™ll be waitinâ€™ for that southernly change
