# Close to You

## Dee Snider

I move without a sound
I wanna get close to you
Don't know that I'm around
I'm in your head
I'm coming on too strong
But you don't seem to care
I move without a sound
I wanna get close to youI wanna get close to you
I wanna get close to you
I wanna get close to you
I feel so close to you
I watch your every move
You're standing right next to me
With nothing left to lose
I'm almost there
I'm coming on so strong
But you don't even to care
I move without a sound
I wanna get close to youI wanna get close to you
I wanna get close to you
I wanna get close to you
I feel so close to youI'm almost there
You're still right here
I'm in your head
I wanna get close to you
I wanna get close to you
I wanna get close to you
I feel so close to you
I wanna get close to you
I wanna get close to you
I wanna get close to you
I feel so close to you
