I Missed Again

Phil Collins

So you finally came right out and said it girl
What took you so long
It was in your eyes, that looks been there for far too longI'm waiting in line
Would you say if I was wasting my time
Did I miss again, I think I missed again, ohI think about it from time to time
When I'm lonely and on my own
I try to forget and yet
Still rush to the telephoneI'm waiting in line
Would you say if I was wasting my time
Or did I miss again, I think I missed again, oh
Oh I miss again, oh I think I missed again, ohWell it feels like something you want so bad
And then you think you've got it
But it's something you already hadAnd You can feel it all around you
But it's something you just can't touch
And I can feel it coming at me
Yes I can feel it coming at meOh did I miss again, I think I missed again, oh
Oh I missed again, oh I think I missed again, ohSo I'm waiting in line
But would you say if I was wasting my timeDid I miss again, I think I missed again, oh
Oh I missed again, oh I think I missed again, oh
Oh I missed again, oh I think I missed again, oh
Oh I missed again, oh I think I missed again, oh
Oh I missed again
