That's why we don't give a fuck  
We don't give a fuck  
Nigga we don't give a fuck  
We don't give a fuck  
So you better leave your house with a burner My whoadie got hit up  
Then my whoadie got hit up  
I ain't trying to be one of them niggas  
But if they catch you with the strap and you black  
It's a wrap  
Two years with half, that's what the judge give 'em  
I'm psyched out 'cause I'm already striped out  
But if I get caught without one  
Then my lights out  
I'm psyched out 'cause I'm already striped out  
But if I get caught without one  
Then my lights out  
It get real in the field, your honor  
How we supposed to chill when there's no chill your honor  
Niggas running in your crib your honor  
Tell me what the fuck you would have did your honor  
You would have got you a strap too  
AK, grenades, and shotgun and a Mac too  
You would have told your kids to hide  
At the front door squeezing on that trigger with pride We don't give a fuck  
We don't give a fuck  
We don't give a fuck  
We don't give a fuck  
Nigga we don't give a fuck

We don't give a fuck  
The police get away with murder  
We don't give a fuck  
We don't give a fuck  
That's why we don't give a fuck  
We don't give a fuck  
Nigga we don't give a fuck  
We don't give a fuck

We'll put our hands up and they'll still shoot motherfucker  
And post on trial for one to two motherfucker  
They give us years for guns and we can buy 'em off the shelf  
But you'll get life in the coffin if you don't protect yourselfWe don't give a fuck

So you better leave your house with a burnerYo murder, tell the boys at Long Beach  
He was just  
Y'all murdered 17 year old David Joseph who died in Texas  
He was unarmed  
Y'all murdered 16 year old Kimani Gray in New York City March 9, 2013  
That's when my birthday, he was unarmed  
This shit fucked up man  
Y'all murdered Laquan McDonald in Chicago

They got that on tape  
He was innocent  
And the list goes on  
And they wonder why I live life looking over my shoulder
