

Shy

Jai Waetford

Every time you walk into the room
Got me feeling crazy
Chock my heart boom boom
Any other boy would say but me
I look away 'cause you're making me scared

Try not to breathe 1 2 3
Try not to freak when you look at me
Gotta make you move but I freeze
You don't have a clue what you do to me

Girl, you make me shy, shy, shy
You make me run and hide, hide, hide
Feel like I get lost in time whenever you need me

Girl, you make me shy, shy, shy
I find the butterfly fli flies
Yeah, you make me lose my mind whenever you need me

Girl you make me shy

Rejection is a word that I don't wanna know
But a girl like you could kill a boy real slow
A million words stuck up in my head waiting to be said
But my tongue is stumbling

Girl, you take me high
I feel like I can fly
But I fall out of the sky
But I look into your eyes

Girl, you make me shy
Girl, you make me shy
Can even talk to you?
Girl, you make me shy
