

Green Nail Polish

Told Slant

i woke up and i smelled like you
you woke up and i could tell that you
weren't happy
so i walked to the deli i don't want to make my bed for anyone
i don't want to spread my legs for anyone
i like to make my breakfast alone
walk myself to the store
and then back to the porch(?)
you liked my green nail polish
and i liked your short black mullet
it wasn't love but i don't know what to call it ohohoh (etc)
you can kiss me just so you can read my texts every five minutes
and re read all the ones you sent
to make sure that you meant them
you can kiss me just to miss me later
you can kiss me just so you feel better
