Daisy Click Clack

Stereolab

Clap, clap, clap, clap, all will join in

Tap, tap, tap, tap, simple rhythm

On the drum, develop

Into complex intermingling

Orchestral rhythm, tapSnap, snap, snap, snap with your fingers

Off beat, on time, make it linger

Enriching the rhythm

Do away with skepticism

Come and join the hymn, tap

Sensing the symbiotic forcesSnap, snap, snap with your fingers

Off beat, on time, make it linger

Enriching the rhythm

Do away with skepticism

Come and join the hymn, tap

Sensing the symbiotic forces
