Soap

Melanie Martinez

[Melanie Martinez]
Think I just remembered something
I think I left the faucet running
Now my words are filling up the tub
Darling you're just soaking in it
But I know you'll get out the minute
You notice all your fingers pruning upI'm tired of being careful, tiptoe, trying to keep the water warm
Let me under your skin
Uh-oh there goes, I said too much it overflowed
Why do I always spillI feel it coming out my throat
Guess I better wash my mouth out with soap
God I wish I never spoke
Now I gotta wash my mouth out with soapI feel it coming out my throat
Guess I better wash my mouth out with soap
God I wish I never spoke
Now I gotta wash my mouth out with soapThink I got myself in trouble
So I fill the bath with bubbles
Then I'll put the towels all away
Should've never said the word 'love'
Threw a toaster in the bathtub
I'm sick of all the games I have to playI'm tired of being careful, tiptoe , trying to keep the water warm
Let me under your skin
Uh-oh there goes, I said too much it overflowed
Why do I always spillI feel it coming out my throat
Guess I better wash my mouth out with soap
God I wish I never spoke
Now I gotta wash my mouth out with soapI feel it coming out my throat
Guess I better wash my mouth out with soap
God I wish I never spoke
Now I gotta wash my mouth out with soap
