All for One, One for All

At Vance

A thousand miles away from home
It seems that all your dreams and hopes are gone
You're at the point of no return
Oh, tell me, will you ever learn?Can't you see that we all belong together?
Only we stay strong foreverAll for one and one for all
We stand and fight, we'll never fall
Raise your voice and try to sing this song
All for oneToo far away to bridge the distance
You're growing weak, you'll lose resistance
You're standing out there in the cold
You're all alone, you don't know where to goCan't you see that we all belong together?
Only we stay strong foreverAll for one and one for all
We stand and fight, we'll never fall
Raise your voice and try to sing this song
All for one, all for oneAll for one and one for all
We stand and fight, we'll never fall
Raise your voice and try to sing this song
All for oneAll for one and one for all
We stand and fight, we'll never fall
Raise your voice and try to sing this songAll for one and one for all
We stand and fight, we'll never fall
Raise your voice and try to sing this song
All for one
