Low Key

Tweedy

I wanna let it be known
Ever since I was young
Iâ€™ve always been a refugee
Of a very high strung

Iâ€™ve always been low key
Just let the records show

No I wonâ€™t jump for joy I donâ€™t
If I get excited, nobody knows
But Iâ€™m gonna love you the same

Iâ€™ll always be your fool
And when it looks like I donâ€™t care
Iâ€™m just playing it cool

Oh no I wonâ€™t jump for joy I donâ€™t
If I get excited, no one will know
Iâ€™ve always been low key
Oh you know me

Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh

Iâ€™ve always been low key
Well you know me

No I wonâ€™t jump for joy I donâ€™t
If I get excited, nobody knows
Iâ€™m gonna love you the same
Iâ€™ll always be your fool

And when it looks like I donâ€™t care
Iâ€™m just playing it cool

No I wonâ€™t jump for joy I donâ€™t
When I get excited, nobody knows
