

# Low Key

## Tweedy

I wanna let it be known  
Ever since I was young  
Iâ€™ve always been a refugee  
Of a very high strung

Iâ€™ve always been low key  
Just let the records show

No I wonâ€™t jump for joy I donâ€™t  
If I get excited, nobody knows  
But Iâ€™m gonna love you the same

Iâ€™ll always be your fool  
And when it looks like I donâ€™t care  
Iâ€™m just playing it cool

Oh no I wonâ€™t jump for joy I donâ€™t  
If I get excited, no one will know  
Iâ€™ve always been low key  
Oh you know me

Ooh ooh ooh  
Ooh ooh ooh  
Ooh ooh ooh

Iâ€™ve always been low key  
Well you know me

No I wonâ€™t jump for joy I donâ€™t  
If I get excited, nobody knows  
Iâ€™m gonna love you the same  
Iâ€™ll always be your fool

And when it looks like I donâ€™t care  
Iâ€™m just playing it cool

No I wonâ€™t jump for joy I donâ€™t  
When I get excited, nobody knows
