Tonite (Live - Boston, MA)

The Go-Go's

The street lights are shining bright
The billboards are shedding their light
And my crowd's hanging around
ToniteThere's a charge in the air
It's kind of electric out there
And we're all out on the town
Action, gonna track it down
Gonna turn some heads
ToniteThere's nothing
There's no one
To stand in our wayGet dressed up
And messed up
Blow our cares awayOur mind's set on seeing
This night through till day
We rule the streets tonite
Until the morning (light)The boulevard's crowded and loud
It's time for excitement right now
There's no better world to be found
If there was
We'd give it all for
For a lifetime like
Tonite
