

# Tonite (Live - Boston, MA)

## The Go-Go's

The street lights are shining bright  
The billboards are shedding their light  
And my crowd's hanging around  
Tonite There's a charge in the air  
It's kind of electric out there  
And we're all out on the town  
Action, gonna track it down  
Gonna turn some heads  
Tonite There's nothing  
There's no one  
To stand in our way Get dressed up  
And messed up  
Blow our cares away Our mind's set on seeing  
This night through till day  
We rule the streets tonite  
Until the morning (light) The boulevard's crowded and loud  
It's time for excitement right now  
There's no better world to be found  
If there was  
We'd give it all for  
For a lifetime like  
Tonite
