

# Listen Up (Acoustic Version)

## Starsailor

So it was my life began  
Just a pale and drawn shadow of a man  
Then I put my armor on  
This could be the night all my fears are gone  
This could be the one Listen Up  
We're gonna make it somehow  
We're gonna change the world  
Starting here and now There's a time for standing tall  
Every man must rise  
Every man must fall  
When he comes to call Listen Up  
We're gonna make it somehow  
We're gonna change the world  
Starting with here and now Listen Up We're gonna make it somehow  
We're gonna change the world  
Starting with here and now Listen Up We're gonna make it somehow  
We're gonna change the world  
Starting with here and now
