

# Loving You Is Easy

**Ben Rector**

Loving you is elementary  
Easier than 1, 2, 3  
Well, I passed school so consequently  
It's coming so naturally

A is for all that you've done for me  
Being with you is only place I wanna be  
Seeing you is the only thing I wanna see  
'cause loving you is easy

One 'cause you're the only one for me  
Two is you and I and I hope you agree  
Three is for the words that you're makin' me speak  
I love you, it so easy

It's easy, it's easy  
It's easy, oh, loving you is easy  
It's easy, yeah

Let's not make this complicated  
I never made the honor roll  
'cause over thinking is over rated  
And there's something that you should know  
Let me count the reasons why

A is for all that you've done for me  
Being with you is only place I wanna be  
Seeing you is the only thing I wanna see  
'cause loving you is easy

One 'cause you're the only one for me  
Two is you and I and I hope you agree  
Three is for the words that you're makin' me speak  
I love you, it so easy

The hardest part was finding you  
But once I did I knew

Let me count the reasons why

It starts with

A is for all that you've done for me  
Being with you is only place I wanna be  
Seeing you is the only thing I wanna see  
'cause loving you is easy

One 'cause you're the only one for me  
Two is you and I and I hope you agree  
Three is for the words that you're makin' me speak  
I love you, it so easy

It's easy, it's easy  
It's easy, oh, loving you is easy  
It's easy, yeah, so easy

It's easy, it's easy  
It's easy, oh, loving you is easy  
It's easy, yeah  
Oh, loving you is easy
