

# Reveal (feat. JosÃ© Garrafa)

William McDowell

Father we want to know You  
Reveal Yourself to us  
We've seen You  
Through Jesus our Savior  
We want to know You more We're crying out to You  
Reveal Yourself  
Reveal Yourself  
We're crying out to You  
Reveal Yourself to us, oh God Reveal Yourself to us  
We want to know You better Jesus wonderful Savior  
You are our hearts desire  
We've tasted and seen Your goodness  
Now nothing else satisfied We're crying out to You  
Reveal Yourself  
Reveal Yourself  
We're crying out to You  
Reveal Yourself to us Father reveal Your heart to us  
Father reveal Your heart to us  
Father reveal Your heart to us  
We want to know You better  
We want to know You better Make us aware, make us aware, make us aware  
Make us aware, make us aware, make us aware  
Make us aware, make us aware, make us aware We want to know You better  
We want to know You better
