

# Yellow Light (Feat. R.Kelly)

## Twista

Hey hey heeey hey.  
Hey! hey!  
Sometimes I go fast  
Sometimes I just stop  
Sometimes I take it slow, when I let the sex drop  
But most of the times I go qu qu qu qu quick  
When I'm hittin that shit, and she like it, she like it  
But tonight she said she didnt want to go too fast,  
And tonight she said she want me to take my time  
So, I took her down and asked her if she liked that, and she say hell yea  
Then I started to hit it from the back said its cool and she said hell yea.  
She said ohh baby just take control baby as long as you take it slow baby  
And we can hit it all night baby  
She gave me the green so I had to go  
Start screamin my name on the window  
And everytime I start goin real fast, she looked at me and said Yellow light  
Hey  
Yellow light  
Hey  
Yellow light  
Hey  
Yellow light  
Gota slow it down  
Yellow light  
Hey  
Yellow light  
Hey  
Yellow light  
Gota slow it down I told her that I want to beat it up fast  
So mama let me know when your down  
Tonight she don't want a drill section  
She wanna feel it so she told me to take it sloww  
I'm so used to mackin it pokin it back to back  
When I attackin it I wanna go n get inn  
She blew the whistle like \*whistle\* be still  
Hold it in now roll it in  
She lifted her pumps to hold my face  
Because she want me to control my pace  
She said she wanna feel it all

Slidin through the wiffles of the walls  
'Cause the feelin was too cold to wait.

Well I can bring it

Down to 50

Down to 40

Down to 30

Any speed you want me to

I can do, for you.

Shorty tell me how you want it

Do you want the lambo ?

I give it to you like uhuhuhuh

When I do it baby.

Or do you want the 64 ?

I give it you you like uh uh

When I do it baby

Now I was thinkin I was all up in it right

But now she got me caught up at the light

I try to call it like

Green too fast

Red too slow

She want it in the middle so I gotta

Yellow light.
