If You Could See Me Now

Natalie Cole

If you could see me now you'd know how blue I've been
One look is all you need to see the mood I'm in
Perhaps when you'd realize I'm still in love with youIf you could see me now you'd find me being raised
And trying offly hard to make my tears behave
But that's quite impossible, I'm still in love with youYou happened my way on some memorable day
A month will be made for a while
I'll try to smile but can I play the part without my heart
Behind the smile, the way I feel for you I never could disguise
The look of love is written plainly in my eyes
I think you'd be mine again if you could see the way you captured me
I'm yours eternally, if you could see now
