

Thick and Thin

Avenged Sevenfold

I don't want to know.
And I don't want to see you in this place.
Your kind is a disgrace as I spit in your face.
And I don't want to hear anymore.
A friend is fucked with while he's having fun on the dance floor.
Get the fuck out of here now.
Come on you kids, stand your ground.
This is your show, it s your family.
All of my friends there for me.
There's four-hundred more of us then them.
So kick them out.
Keep it positive.
Keep it real. Keep it true.
Together with my friends.
I'll be there for you.
Through the problems thick and thin and problems we'll fight through.
This is to my brothers, I ll be there for you.
Through the problems thick and thin and problems we'll fight through.
This is to my family.
I'll be there for you.
