

She's Hearing Voices (Erol Alkan's Calling Your Du

Bloc Party

She's hearing voices call her
She's hearing voices warn her
She just can't sleep in her bed,
She just can't sleep
She's falling down the stairs
She's tearing out her hair
She's screaming my name, in the night
To keep her warm

She got a red pill blue pill
Red pill blue pill
Red pill blue pill
Red pill blue pill
Milk of amnesia

Hey hey hey hey
c'mon I know that you want it
There's nothing, nothing to shout about
So jump, jump back in

She got a red pill blue pill
Red pill blue pill
Red pill blue pill
Red pill blue pill
She got a red pill blue pill
Red pill blue pill
Red pill blue pill
Red pill blue pill
Milk of amnesia

She's scared of the blacks and she's scared of the Jews
She is always out there, she is yesterday's news
She screams out my name in the dead of the night
She is leaving my room, she is crying on her side
Walking on eggshells, walking on glass,
Burnt by the mirror, burnt the light
Feeling rejection I'm going to burn down your house
Tearing down posters I was never alive
