

Safer On The Outside

American Hi-Fi

I'm no good
I feel too small
Something's gonna burn
Sink on you
Drunken highways
Someone take the wheel[Chorus:]
Faded in the blackout you left me in
It's safer on the outside
I'm swimming in
This kerosene; it's hard to breathe
Static's got me down I can't sleep
I'm disconnected
Everything went wrong
And certain stars
Are sad and bruised like
Someone's cheating heart[Chorus x 3]
