Traveling Song

Jonathan Edwards

I been around the world, in the pouring rain
Feelin' outta place
Really feelin strange
Take me to a place where they know my name
Cause I ain't met nobody that looks the same

I'm a fish outta water, lion outta the jungle
He a fish outta water, lion outta the jungle
I need my peoples, my peoples
Take me to my peoples
They got jungle fever
Show 'em some love
Show 'em some love

Could I have someone
Could I have someone
To relate to
To relate to
I found a brand new home
Could I have someone
Could I have someone
To relate to
To relate to
I found a brand new home

See, I've been travelin'
Been travelin' forever
But now that I found a home
Feels like I'm in heaven
See, I've been travelin'
Been travelin' forever
But now that I'm home
Feels like I'm in heaven
But now that I found a home
Feels like I'm in heaven
Feels like I'm in heaven
Feels like I'm in heaven
Feels like I'm in heaven
Feels like I'm in heaven

Heaven

Travelin' the world like a tourin' man
Been around the planet
In them foreign lands
I've seen things that I thought I'd never see

Take me to a place where they look like me
I'm a lion outta jungle
Fish out of the ocean
He's a lion outta the jungle
Fish out of the ocean
I need my peoples
My peoples
Take me to my peoples
They got jungle fever
Show 'em some love
Show 'em some love

Could I have someone
Could I have someone
To relate to
To relate to
I found a brand new home
Could I have someone
Could I have someone
To relate to
To relate to
I found a brand new home

See, I've been travelin'
Been travelin' forever
But now that I found a home
Feels like I'm in heaven
See, I've been travelin'
Been travelin' forever
But now that I'm home
Feels like I'm in heaven
See, I've been travelin'
Been travelin' forever
But now that I found a home
Feels like I'm in heaven
Feels like I'm in heaven
Feels like I'm in heaven
Feels like I'm in heaven

Feels like I'm in heaven
Heaven
Feels like I'm in heaven
Feels like I'm in heaven
I'm in heaven

Oh, and I'm
Feelin' right at home
Feelin' right at home
Feelin' right at home
I found a brand new home

I'm feelin' right at home
Feelin' right at home
Feelin' right at home
Feelin' like I'm in heaven
It's like I'm in heaven

It's like I'm in heaven
I'm in heaven
It's like I'm in heaven
I'm in heaven
It's like I'm in heaven
I'm in heaven
Oh yeah I'm
