

# City's Song

Paige Young

Intro:

Down we go hold the phone  
Loved before blowing smoke in the air

Know we care

Bumpin loud time is now

Oh (x3)Chorus:

No sleep tonight

No dreams too light

Hold it

Split limes in ice

Know grind is tight

Breath in

Measure the night

By golden heights

lose it now (x2)Verse:

spice of life

riding light

know the type

don't try

you feel strong

nights are long

one more line

till you know

city's songthey fall

coming down

place a crown

sinner's heads

lay to bed

your eyes wide

no surprise

born for flight

born for flightChorus:Verse:

fighting hard

raised the bar

city glows

view from far

you know more

find the door

no way out

watch the clouds  
top of mountthey move slow  
but we know  
lies move far  
truth is marred  
cruise on beau  
one less line  
and you'll know  
city's songBridge:

"I have absolutely no pleasure in the stimulants in which I sometimes so madly indulge. It has not been in the pursuit of pleasure that I have periled life and reputation and reason. It has been the desperate attempt to escape from torturing memories, from a sense of insupportable loneliness and a dread of some strange impending doom."Chorus:
