

Red Light (Band Intros)

Jonny Lang

You sing a song
While sitting at a red light
You think of home
While sitting at a red light Too slow to roll
Put your life on hold
An open path
With nowhere to go
You start to wonder
While sitting at a red light You can run a red light
Give up on a red light
You break the mold
When running through the tolls
Speeding through your whole life A chance to breathe
While sitting at a red light
You look around
Reflecting on your life A chance to think
Am I drinking too much
Should I keep going
Lose a life that I love
A second glance
When coming to a red light You can run a red light
Give up on a red light
You break the mold
When running though the tolls
Speeding through your whole life You can run a red light
Give up on your whole life
You can break the mold
When running though the tolls
Speeding through your whole life When things look low
You've gotta keep strong
Feet on the grass
You've gotta walk it off
The bows been tied
Too tight to laugh
Feet on the ground
You've gotta walk it off You can run a red light
You can run a red light Start to think
Am I drinking too much
Should I keep going

Lose the life that I love You can run a red light
Give up on your whole life
You can break the mold
When running though the tolls
Speeding through your whole life You can run a red light
Give up on your whole life
You can break the mold
When running though the tolls
Speeding through your whole life You can run a red light
You can run a red light You sing a song
While sitting at a red light
