Dumb

Alexandra Burke

Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb
Baby, I'm loving your lips 'cause you know how to use them
I wanna fall in your eyes but there's nothing behind them
Look too good to eat
I just can't believe we can't talk about nothin'
You so fire hot but that's all you got
You're just all about one thing
So bye, bye, baby
Could've had it, should've had it
Would've had it if you were a little less dumb
Could've had it, should've had it
Would've had it if you were a little less dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
You spend more time on look than the rest of my girl friends
I keep trying to go deep but you don't have a deep end, yeah
There's just nothing there, you play with your hair
Stuck in front of that mirror
I need something more, more than a Ken doll
I can't make it more clearer
So bye, bye, baby
Could've had it, should've had it
Would've had it if you were a little less dumb
Could've had it, should've had it
Would've had it if you were a little less dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby

Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
Dumb, dumb, dumb, dumb

Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb
For such a pretty face, boy you're such a waste
Dumb, dumb, dumb
For such a pretty face, boy you're such a waste
Dumb, dumb, dumb
Could've had it, should've had it
Would've had it if you were a little less dumb
Could've had it, should've had it
Would've had it if you were a little less dumb
Could've had it, should've had it
Would've had it if you were a little less dumb
Could've had it, should've had it
Would've had it if you were a little less dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, dumb
Dumb, dumb, dumb, bye, bye, baby
