

# Ladies and Fellas

## Json

It's been 4 years of marriage - I can't wait for five  
I can't lie - this has been the hardest thing in our lives  
(Yeah, One) After the honeymoon reality hit  
this is the person I spent the rest of - my life with  
The truth is we failed to really understand each others needs  
This'll bring us to fuss over the simplest of things  
Yeah we were Christians but we were still both immature  
Now we would learn - what it really means "to endure" (Yeah , Two)  
the Lord was growing us despite our frustrations  
Working in His longsuffering, love, patience  
The more we would submit the more it became different  
Now Agape love is not a feelin' now it's a commitment, (Yeah , Three)  
It's been beautiful seeing the Lord conforming me  
Our lives two different voices now we're singing in harmony  
And yeah , boy, yeah we struggle with things  
But through it I'll say that marriage is a wonderful thing!

LADIES, be the wives you were created to be: in submission, a helpmeet that makes him complete.  
FELLAS, lead and guide with love your wives and in the same way Christ shows he loves His Bride  
LADIES: don't see this as a form of weakness but strength and find joy that is pleasing to him  
FELLAS, you're equal. it don't mean that you rude, its just more responsibility is given to you

I want to encourage those believers who've been having a lot  
of problems and now you feel your marriage on the rocks  
Don't give up ...even though it's crushing for you  
Know that love is not a feeling, man, it's something you do  
Remember ... Christ loved us so He came and died  
And death'll be the key for marriage stayin' alive  
Listen, I pray that you guys 'll grow through the hurt  
Continut t fight cuia I truly know that it's worth  
Seek the Lord : this aint something tha you can manage yourself  
Don't point the finger at your spouse : first examine yourself  
Make sure you're communicate : and give some quality time.  
Trust me; love can be seen, man, love isn't blind  
Often when we're married we don't share how we feel inside  
and it's time to come past we don't feel the vibe  
But it's there; it just needs to be shown and seen  
So stand strong as you both seek the Throne of the King

Now if you ...are desiring a husband or wife  
That's nice - but make sure that you're viewing this right  
See ... I don't want you to get cap-tured in the fact of  
it's housewife, prince and happily ever after  
That's true but not the full purpose at all  
It's a covenant before God : a ministry call  
What marriage does ...is paint a pic-ture on earth  
of ....Christ the King and His Bride the Church  
We're priviledged to be the artists with the brush in hand  
Daily displaying His paint and through all in the land  
The man has the chance of showing how Christ  
loves the Church through the ways lovin' his wife  
that ain't easy ..... when you look and see that He died  
Conflict sympathize also leads and guides  
The wife shows - how the Church is under submission  
so... before you marry please seek the Scriptures.
