

Living Water

[Ellie Holcomb](#)

We have wandered through the desert
Chasing after what's behind
But you're doin' a new thing
You're makin' new streams
So we open up our lives Spirit fill us with Living Water
We know your well will not run dry
So come revive us
Come wash over
In your presence we'll find our life We were thirsty
Always drinkin' what could never satisfy
But you say it's a new day
You're makin' a new way
You're filling up what once was dry Spirit fill us with Living Water
We know your well will not run dry
So come revive us
Come wash over
In your presence we'll find our life
In your presence we'll find our life Spring up, O Well (Spring up, O Well)
Spring up, O Well (Spring up, O Well) Spring up, O Well, within our souls Spring up, O Well (Spring up, O Well)
Spring up, O Well (Spring up, O Well) Come fill us up 'till we overflow
Fill us up 'till we overflow Spring up, O Well
Spring up, O Well
Spring up, O Well
Spring up, O Well
