Our Remains

Bitter:Sweet

Please my dear
Walk away from the pain
Don't say a word
To take the beauty of
Our remains

[Chorus]
All day
I will always wait for you
(I will wait for you)
In every way
I dream about a moment with you
(I will wait for you)
Nothing to say
Just trying to find my way to you
All in a day
I realize I may not get over you

Darkness falls on the sound
Of your name
Slowly breathing in
The bible of distinction and love
Our remains

[Chorus: x2]
