## The Dead Ends

That night I felt like I'd become something treasured, different  
Can I tell you a story as we dance while the sun starts to bleed?  
Song of songs, love is calling, daughter wake up from your sleep  
Refined, I'll become the most dazzling precious treasure  
I'll be treasured over all the earth  
Bearing the gift of a new heart  
Patience ablaze I'm slowly burning  
Refined, I'll become the most dazzling precious treasure  
I'll be treasured over all the earth  
Refined, I'll become the most dazzling precious treasure  
I'll be treasured over all the earth  
I am in awe and in shock, I'm in love and given away  
I'm reserved with these words  
Can I tell you a story as we dance while the sun starts to bleed?  
Trees rejoice with the wind here, hallelujah Yeshua  
Tonight I've become the most dazzling precious  
I am treasured over all the earth  
Just look at what He's done, how He's laying down His life  
Take this life, oh, most dazzling precious treasure  
Tonight I've become the most dazzling precious treasure  
I am treasure over all the earth
