

# Angel Of Broken Hearts

[Jason Michael Carroll](#)

How do I move on from here, when everything I lost  
Is what I want?  
These holes she left inside of me has become her memory's  
Favorite place to haunt  
How can the best I ever had  
Hurt so bad, hurt so long  
You know I'm not that strong[Chorus]  
Angel of Broken Hearts  
Where on Earth are you tonight  
Help me find a place to start  
To get me over her  
Maybe I mistreated love  
Have I not suffered long enough?  
Angel of Broken Hearts Take this pain away  
Take this pain away Some days I think that I've come through the worst of it  
And I'm on the healin' side  
And then she kicks up like a dust bowl wind and covers up my mind  
I lose hours, I lose days in a haze of "used to be"s  
And then I'm on my knees[Chorus] I paid with prayers, I paid with tears  
And I'll probably for years  
I could use a little mercy here[Chorus] Oh Angel  
Come and take this pain
