Lookin' Out the Window

Stevie Ray Vaughan & Double Trouble

Well I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I, I, I'm lookin' at youWell I'm dreamin' all the sweet dreams and the memories of the past
Feel so fine honey, that's why our love should last
Feel so good baby and it's all because of you
I've gotta love ya, I need to love ya, I want to love ya so nice
We're havin' all the time to ourselves
Yeah we're havin' all the fun to ourselvesLord I'm pickin' up the pieces off the shelf
Won't take long baby 'cause there's hardly any left
Feel so good baby but it's all because of you
I've gotta love ya, I need to love ya, I want to love ya so nice
I'm lookin' out the window, I'm lookin' at you
Yeah I'm lookin' out the window, I'm lookin' at youWell I'm dreamin' all the sweet dreams and the memories of the past
Feel so fine honey, that's why our love should last
Feel so good darlin' it's all because of you
I've gotta love ya, I need to love ya, I want to love ya so nice
