1-2-3-Entertain

PlayRadioPlay!

And I know
Standing again on my own two feet
This striking resemblance is hard to beatOn the cover of 17
Everything you ever wanted to beAnd we are
Driving fast in our brand new cars
Cheating death with every turnOn the cover of 17
Everything you ever wanted to be
My dear I'm
Afraid it is my time to go
Exiting through your window
But don't cry
This isn't the last time I will get to say I love youBecause you know I do and you know I do and you know I do
And we sing our favorite songs
Out of tune while we get the words wrong
And we sing our favorite songs
Out of tune while we get the words wrong
It's perfectTo see the sunset in it's entirety
And see what villains we can be
Alive and well on our own park swing
(1-2-3-Entertain 1-2-3-Entertain)
To see the sunset in it's entirety
Alive and well in the harsh city
Run away to the open country(1-2-3-Entertain 1-2-3-Entertain)
(Check Check and I'll say it again, Check Check and I'll say it again)
