

Miss You

Jonathan Clark

Iâ€™ve been sittinâ€™ here thinkinâ€™ us through
And all at once, Iâ€™m not over you
Girl I miss you sometimes
I really miss you sometimes
Thinkinâ€™ back, to times that we spent
Days with you were heaven sent
God I miss you sometimes
I really miss you sometimes

I try to free my mind from the pain locked up inside
But some days Iâ€™m not strong
And until Iâ€™m dead and gone
Iâ€™m gonna miss you sometimes

Now I have good days, and I have bad
Today is not a good day
Girl I miss you sometimes
I really miss you sometimes

And I pray every day not to ask myself
Was it all my fault or someone else
Ooh girl I miss you sometimes
Oh I really miss you sometimes

I try to free my mind from the pain locked up inside
But some days Iâ€™m not strong
And until Iâ€™m dead and gone
Iâ€™m gonna miss you sometimes

Oh I try to free my mind from the pain locked up inside
But today Iâ€™m not that strong
And until Iâ€™m dead and gone
Iâ€™m gonna miss you sometimes

Yeah Iâ€™m gonna miss you sometimes
Iâ€™m always gonna miss you sometimes
