

# Wavin' Flag

K'naan

oh,oh,oh,oh,oh,oh x2  
Give me freedom,Give me fire  
Give me reason  
Take me higherSee the champions, take the field now  
Unify us  
Make us feel proudin the streets, our heads are lifted  
as we lose our inhibition  
celebration its around us  
every nation all around usSinging forever young  
Singing songs underneath that sun  
Lets rejoice in the beautiful game  
And together at the end of the day we all sayWhen I get older I will be stronger  
They'll call me freedom, just like a waving' flag  
and then it goes back x4When I get older, I will be stronger  
They'll call me freedom just like a wavin' flag  
And then it goes back, and then it goes back  
And then it goes, oh,oh,oh,oh,ohgive you freedom  
give you fire  
give you reason  
take you higher.Born to a throne, stronger than Rome  
A violent prone, poor people zone  
But it's my home, all I have known  
Where I got grown, streets we would roamOut of the darkness, I came the farthest  
Among the hardest survival  
Learn from these streets, it can be bleak  
Accept no defeat, surrender we treatSo we struggling, fighting to eat  
And we wondering when we'll be free  
So we patiently wait for that faithful day  
It's not far away, but for now we sayWhen I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
And then it goes back, and then it goes back  
And then it goes back, ohSo many wars, settling scores  
Bringing us promises, leaving us poor  
I heard them say 'love is the way'  
'Love is the answer,' that's what they sayBut look how they treat us, make us believers  
We fight their battles, then they deceive us  
Try to control us, they couldn't hold us  
'Cause we just move forward like Buffalo SoldiersBut we struggling, fighting to eat  
And we wondering, when we'll be free

So we patiently wait for that faithful day  
It's not far away but for now we say When I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
And then it goes back, and then it goes back  
And then it goes back, and then it goes When I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
And then it goes back, and then it goes back  
And then it goes back, and then it goes  
And then it goes And everybody will be singing it  
And you and I will be singing it  
And we all will be singing it When I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
And then it goes back, and then it goes back  
And then it goes back, and then it goes When I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
And then it goes back, and then it goes back  
And then it goes back, oh When I get older, when I get older  
I will be stronger just like a wavin' flag  
Just like a wavin' flag, just like a wavin' flag  
Flag, flag, just like a wavin' flag
