

God Came Among Us

Marilyn Baker

God came among us,
He became a man,
became a baby,
though through Him the world began
He came to earth to bring us peace,
but where is that peace today?
It can be found by those who
will let Him direct their way.

He came to serve, to show us
how much He cared
our joys and sorrows
He so willingly shared.
He came to earth to bring us joy,
but where is that joy today?
It can be found by those who
let Him wash their guilt away.

Death tried to hold Him,
but it could not succeed.
He rose again,
and now we can be freed.
He longs to give eternal life
to all who will simply receive,
yes to all who will
open their hearts and just believe.
