

Cemetery Weather

Isles & Glaciers

I donâ€™t know what I would do if anybody tried to take you away
And your beautiful boy wait for you
Because heâ€™s busy with the stars and the fame
And I donâ€™t know why I breathe
Its taking too long for me
Can we speed up the process please
Or show me the one I need

I need somebody (somebody)
Crazy enough to tell me
I will love you till we
Till we are buried
Our bodies (our bodies)
Our bodies buried close together
Cemetery Weather
In the cemetery Weather

I never knew what I would do if anybody tried to speak your name
I would tear down their house and
Iâ€™d burn my way around the brightest memory of your face
Cause I would do anything (anything, anything)
Cause love is a selfish thing
And Iâ€™ll feed off the wounds that bleed
And tear you away from me

I need somebody (somebody)
Crazy enough to tell me
I will love you till we (I will love you till we)
Till we are buried
Our bodies (our bodies)
Our bodies buried close together
Cemetery Weather
In the cemetery Weather

Violent Delight
Weâ€™ll live as if we died
Violent Delight
Live as if we died
My Violent Delight
Live as if we died

Violent Delight

Violent Delight

So come on, come on

I wonâ€™t leave without you

If we die, then we die

And Iâ€™ll sing this buried with you

Violent Delight

Live as if we die

My Violent Delight (Violent Delight)

I need somebody (somebody)

Somebody crazy enough to tell me

I will love you till we are buried

Our bodies (our bodies)

our bodies buried close together

Cemetery Weather

In the Cemetery Weather

-Really long music pause-

I never knew what I would do

If anybody tried to take you away
