

I Know You See It (feat. Brandy 'ms. B' Hambrick)

Yung Joc

Inny meeny minny (minny) mo (mo)
How many bitches from the club won't go
I know you see it (see it), I know you see it
I'm like inny meeny minny mo (mo)
How many niggas in the club won't go
I know you see it (I know you see it), I know you see it (I know you see it)

Now you can call me tipdrill (drill), playing my song (song)
Throw a couple ones, then she throw away her thong (thong)
When she bust it open, take a picture with my phone (with my phone)
She love my cologne, I call it perk body zone (body zone)
Now she pussy poppin', it's goin' down (it's goin' down)
Slap the waitress on the booty, tell her "get another round" (another round)
And when I make it rain, money all over the ground (the ground)
Fresh force ones, Sean John button down (button down)
And then I'm like "oh (oh) boy (boy), a clique fulla stars (stars)"
Big four fifth, big dick, and big cars
At the end of the day, when it's all said and done (done)
I need four freaks 'cause I need more than one (one)

Inny meeny minny (minny) mo (mo)
How many bitches from the club won't go
I know you see it (I know you see it), I know you see it (I know you see it)
I'm like bim (bim) bam (bam), I know you want some (some)
She chewing on the dick like a piece of bubble yum
I know you see it (I know you see it), I know you see it (see it)

I'm like inny meeny minny mo
How many niggas in the club won't go
I know you see it (I know you see it), I know you see it (I know you see it)
I'm like bim bam (bam), I know you want some (some)
You chewing on the pussy like a piece of bubble yum
I know you see it (I know you see it), I know you see it (I know you see it)

I ain't never been the type to show off in the club (club)
Real laid back poppin' plenty bottles of (of)
Bub, don't smoke but I got much perk (perk)
Get that nigga real high, make him slurp it then burp (hey)
Could you be a groupie? I hear you singin' my song (song)
Like I see you, lemme feel your tongue (lemme feel your tongue)

It's T, miss B nigga, let me get you laced (laced)
Take a step back, blow the pussy in ya face
I ain't talking cush nigga, I'm talking a rat race
So many to choose from, give 'em all a little taste
Gotta house fulla pussy, the madam of hip hop
My bitches are superstars, so gushy you need a mop
Yea

Inny meeny minny mo (mo)
How many bitches from the club won't go
I know you see it (see it), I know you see it
I'm like bim (bim) bam (bam), I know you want some (some)
She chewing on the dick like a piece of bubble yum
I know you see it (see it), I know you see it (see it)

I'm like inny meeny minny (minny) mo (mo)
How many niggas in the club won't go
I know you see it (I know you see it), I know you see it (I know you see it)
I'm like bim (bim) bam (bam), I know you want some (some)
You chewing on the pussy like a piece of bubble yum
I know you see it (I know you see it), I know you see it (I know you see it)

I got stacks on deck, snowflakes on my neck
New J's on my feet, make my outfit complete
I know you see it (see it), I know you see it
I got stacks on deck, niggas love my flow
Got a Mohawk blowin', air forces that glow
I know you see it (see it), I know you see it

Inny meeny minny (minny) mo (mo)
How many bitches from the club won't go
I know you see it (see it), I know you see it
I'm like bim (bim) bam (bam), I know you want some (some)
She chewing on the dick like a piece of bubble yum
I know you see it (see it), I know you see it (see it)

I'm like inny (inny) meeny (meeny) mo (mo)
How many niggas in the club won't go
I know you see it (I know you see it), I know you see it (I know you see it)
