

# Burning Bridges (Re-Recorded In Stereo)

## Mike Curb Congregation

Friends all tried to warn me  
But I held my head up high  
All the time they warned me  
But I only passed them by  
They all tried to tell me  
But I guess I didn't care  
I turned my back and  
Left them standing there  
All the burning bridges that have fallen after me  
All the lonely feelings and the burning memories  
Everyone I left behind each time I closed the door  
Burning bridges lost forevermore  
Joey tried to help me find a job  
A while ago  
When I finally got it I didn't want to go  
The party Mary gave for me  
When I just walked away  
Now there's nothing left for me to say  
All the burning bridges that have fallen after me  
All the lonely feelings and the burning memories  
Everyone I left behind each time I closed the door  
Burning bridges lost forevermore  
Years have passed and I keep thinking  
What a fool I've been  
I look back into the past and  
Think of way back then  
I know that I lost everything I thought I that could win  
I guess I should have listened to my friends  
All the burning bridges that have fallen after me  
All the lonely feelings and the burning memories  
Everyone I left behind each time I closed the door  
Burning bridges lost forevermore  
Burning bridges lost forevermore
