I Will Sing

Kari Jobe

I need to see You here
I need to know You're in control
Though my heart is torn wide open
I will trust, I will rememberI need to hear Your voice
Speaking to silence all my doubts
Your word won't return empty
You will break through every darknessEven when my breath is weak
I will sing, I will sing
Even in my suffering
I will sing, I will sing
I need to feel Your hope
Rising above my greatest fears
Even death has been defeated
I will trust, I will rememberEven when the shadows fall
I will sing, I will sing
Even when the night is long
I will sing, I will singHallelujah
I surrender all to You
Hallelujah
You are God, You won't be shaken
Hallelujah
I surrender all to You
Hallelujah
You are God, You won't be shaken
I need to see You here
I need to know You're in control
Though my heart is torn wide open
I will trust, I will remember
